I will need both chemists at this point. I will work around conflicts in an attempt to make this process as painless and efficient for you as possible.

No problem. Will you need both chemists for the case? I have a conflict with Suffolk Superior on 7-28. Let me email the ADA because I believed the trial starts on 7-28. As for Della, she is on call for Taunton because the primary chemist is on maternity leave.

I will keep you informed.

Thanks,
Annie

Thank you Annie. Would you and Della be available for court on 7-28? Thanks.
